

Release Date: 7/20/2016
Product Change Notice #: 16-1004-160720
Product Name: Windows 7 Professional
Models Affected: All variants of SSDs and systems including Windows 7 Professional

Purpose of Notification:

Microsoft previously announced the End of Sales for Windows 7 Professional. Due to confusion around the End of Sales limitations, WinSystems is notifying customers who have purchased products with Windows 7 Professional since January 2015. Microsoft's End of Sales policy will prevent shipment of new products with Windows 7 Professional licenses after 10/31/2016.

Last time ship of existing revision: 10/31/2016

An important part of WinSystems' product lifecycle management program is to provide customers with advance notice of changes that might affect long-term product usage or availability. WinSystems will attempt to provide as much advance notice as possible of changes that affect the form, fit or function of the product, except when an immediate change is required.
